Grades : General and fire retardant [FR]
 Types : Standard, post forming, compact, cabinet liners, backer
 Size : 2440 mm x 1220 mm [8'x4']
 Thickness : 1mm [±10%]

Care & Maintenance : Cleaning should be carried out with a soft moist cloth and warm soap solution. Do not use detergents containing abrasive particle or excess soda.

CRAZE LAMINATE Highlight:
 - Design from genuine imported base paper.
 - Manufactured using best quality kraft paper.
 - Use of best chemical raw materials for better flexibility & durability.

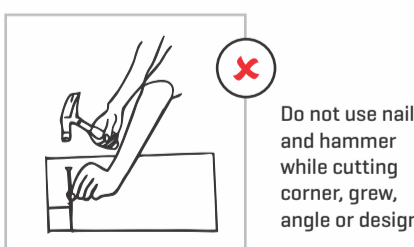

Disclaimer: Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of color, pattern and surface finish but not of actual thicknesses. All metallic patterns series recommended for vertical application only. Limited Warranty: CRAZE LAMINATE warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviation, related manufacturing specifications. This warranty shall be limited only to the original buyer for a period of care. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only. CRAZE LAMINATE products are used for various applications without the possibility of control over the manufacturing of the finished products. The Company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.

Do not use nail and hammer while cutting such Corner, Grew, Angle, and Designs.
 Use only drill while cutting such Corner, Grew, Angle and Designs.

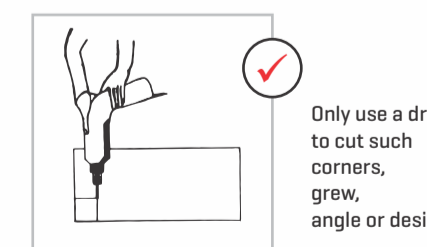

Resistance: To surface wear immersion in boiling water, Dry Heat, Impact by small diameter ball, Cigarette burns, Staining Scratches, Color change in Xenon light.
 Maintenance: Clean with soap solution or House detergent, Adhesive should not be used, Avoid direct sunlight.

Note:
 - Please check the Laminate sheet before use.
 - No claim will be entertained after using Laminate sheet.

Do not use nail and hammer while cutting corner, grew, angle or design.

Only use a drill to cut such corners, grew, angle or design.

NO CLAIM WILL BE ENTERTAINED

- For cracking arising out for groove curving Dr.L.Shape

NO CLAIM WILL BE ENTERTAINED

- For Air Bubbles
